**Overall Length:**

0.960 inches

**End Application:**

Control displ, navigational systems

**Special Features:**

Led, volts vdc 5, connection horizontal, legend split, att, loss invalid reading, lense cap aluminum, black anodized, next assembly 1961358, used on 1805611

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A528d0
