Overall Height:

2.000 inches

Overall Width:

3.300 inches

Current Rating:

35.000 milliamperes

Product Name:

Remote ir sensor

Special Features:

0comes with full set of mounting screws and wall anchors; may be used without the wall bracket for flush mounting; with bracket installed item measures 3.60 inches in width; switchable for high/low frequency (455khz or 38khz) sensing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
