End Application:

Night vision sight, infrared an/tas-4

Tripod Head Style:

Thumb screw, friction bonnet

Azimuth Adjustment Mechanism:

Not provided

Elevation Adjustment Mechanism:

Not provided

Instrument Light Accommodation:

Not provided

Material:

Aluminum alloy, qq-a-250/11, t6

Material:

Aluminum alloy 6061

Surface Treatment:

Paint, mil-f-14072, p513

Fsc Application Data:

Night vision equip. Emitted and reflected radiation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T271-n
