Tapered Hole Minor Diameter:

1.000 inches

Overall Length:

0.220 inches

Flange Diameter:

1.200 inches

Internal Annular Serration:

Not provided

Setscrew Notch:

Not provided

Err Default:

Err default

Material:

Aluminum alloy, qq-a-250/11, t6

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Surface Treatment:

Anodize

Style Designator:

Shouldered

Surface Treatment:

Anodized black

Fsc Application Data:

Night vision equip., emitted and reflected radiation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T271-k
