End Application:

Used on dbala2/a3 infrared laser pointer/illuminator nsn 5855-01-579-0062 and dual beam advanced aiming laser nsn 6230-22-622-7815 with op temp of m40/p51 degrees c

Special Features:

Infrared pointer neutral density filter

Color:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T205-a
