End Application:

An/psq-39

Criticality Code Justification:

Feat

Product Name:

Thermal objective assembly, spare

Special Features:

Fit restriction; material: ultem, color: tan; material: 25% carbon filled polyetherimide, color: black; material: ptfе grade 2, hardness: shore d50-d65; color for silicone material is red

Material:

Silicon

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T271-e
