Countermeasures Dummy Decoy - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5865-01-486-0200

End Application:
An/ale-50
Product Name:
Mass model assembly
Special Features:
Dummy decoy replicates the aerodynamic characteristics of an active decoy in cannister assembly
Supplementary Features:
Dummy decoy is a mass model and cannister assembly, w/o active transmitter
Reference Number Differentiating Characteristics:
Differentiated by cagec
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
Yes - demil/mli
