Overall Length:

8.976 inches

Overall Height:

1.992 inches

Overall Width:

6.000 inches

End Application:

An/alq-21 (v)

Product Name:

Matrix assembly

Special Features:

Provides control and signal switching between various countermeasures systems

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A51110
