End Application:

An/plt-4 transmitting set countermeasure; wsd: seawolf class ssn

Component Quantity:

8

Usage Location:

Communications zone

Product Name:

An/plt-4 spares kit

Special Features:

Kit consists of one each; remote control/200-006712, remote control antenna/pskn3-2400/5500s, antennas/pn: band 1/ht-224, band 2/sh-55, band 3/xp02v-880-2175/1060, band 4/xp02v-1680-2280/140, and two each battery, lithium (bb-2590) recharger/bt-70791

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23800
