Body Length:

13.750 inches

Body Width:

2.875 inches

Body Height:

0.064 inches

Mounting Configuration:

4 0.164 in. Diameter mounting holes irregularly spaced

Material:

Aluminum

Material:

Aluminum

Surface Treatment:

Anodized

Fsc Application Data:

Directorstation, guided missile, trailer mounted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T23700
