Overall Length:

3.550 inches

Overall Height:

0.740 inches

Overall Width:

0.800 inches

End Application:

Radio and television communications equipment, except airborne

Component Type And Quantity:

1 bracket and 3 gasket

Special Features:

Mounting configuration: two 0.140 in.Min 0.250 in.Max mtg slots

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A51110
