**Overall Length:**

3.578 inches

**Overall Height:**

0.250 inches

**Overall Width:**

0.625 inches

**End Application:**

Type no. Rt-348/arc-54

**Component Type And Quantity:**

7 capacitor and 1 choke and 4 diode and 5 resistor

**Special Features:**

Mtg configuration: four 0.094 in.Dia mounting holes irregularly spaced; mounting method: unthreaded holes; fsc application data: receiver-transmitter, radio, except navigation airborne

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A5110
