Overall Length:

0.750 inches

Overall Height:

0.188 inches

Overall Width:

0.375 inches

Attachment To Item Supported Method:

Holds item by means of one threaded hole

Material:

Steel

Material:

Steel

Surface Treatment:

Anodize

Surface Treatment:

Anodized

Fsc Application Data:

Misc. Communication equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T08100
