Body Length:

19.906 inches

Body Width:

16.906 inches

Body Height:

1.812 inches

End Application:

Type no. C6988/tpn-18

Mounting Configuration:

Six latches located on outside periphery of cover

Product Name:

Cover, indicator

Special Markings:

Stamped stow test card no. G1b100251 here

Material:

Aluminum

Material:

Aluminum

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
