Overall Length:

5.380 inches

Overall Height:

0.300 inches

Overall Width:

1.325 inches

End Application:

5895-00-003-2715 multiplexer

Component Type And Quantity:

14 capacitor and 3 diode and 4 microcircuit and 1 printed wiring board and 1 relay and 31 resistor and 9 transistor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A51110
