Overall Length:

5.380 inches

Overall Height:

0.300 inches

Overall Width:

1.325 inches

Component Type And Quantity:

3 capacitor and 3 diode and 13 microcircuit and 1 printed wiring board

Special Features:

Mounting configuration: plug-into connector, and mtg into card cage

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A51110
