Body Length:

2.016 inches

Body Width:

0.782 inches

Body Height:

0.782 inches

Mounting Configuration:

Mounts by soldering onto frame base

Material:

Aluminum

Material:

Aluminum

Fsc Application Data:

Radio set, airborne communication

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
