Overall Length:

4.344 inches

Overall Height:

3.125 inches

Overall Width:

3.742 inches

Component Type And Quantity:

2 shaft

Special Features:

Major components: dial 1; shaft, aluminum alloy 1; shaft, stainless steel 1; mounting method & configuration: holes, three 0.161 inch diameter holes on rear spaced 1.625 inch by 2.815 inch mounting centers

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511I0
