Overall Length:

28.219 inches

Overall Height:

13.406 inches

Overall Width:

12.625 inches

Component Quantity:

1

Locking Device:

Not included

Component Controlling Agency:

Sig

Component Name:

Filter, dc

Component Identifying Number:

F-170/grc type no.

Handle Quantity:

4

Handle Location:

Side

Material:

Plywood and aluminum

Material:

Plywood and aluminum

Fsc Application Data:

Radio set, radio communication equipment, except airborne

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fiiq:

T358-a
