Mounting Configuration:

Two 0.250 in. Diameter mtg holes 4.218 in. C to c

Special Features:

With cooling holes

Material:

Aluminum

Material:

Aluminum

Surface Treatment:

Any acceptable

Fsc Application Data:

Miscellaneous communications equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T23700
