Body Diameter:

1.875 inches

Body Length:

5.380 inches

Body Height:

0.750 inches

Mounting Configuration:

Two no. 0.144 in. Diameter mtg holes spaced 3.187 in. C to c and three 0.072 in. Elongated mtg holes irregularly spaced

Material:

Brass

Material:

Copper alloy

Surface Treatment:

Cadmium

Surface Treatment:

Cadmium plated

Fsc Application Data:

Airborne radio navigation set

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
