Overall Length:

3.188 inches

Overall Height:

1.917 inches

Overall Width:

2.562 inches

End Application:

Type no. An/spa-4

Component Type And Quantity:

1 bracket and 1 gear

Special Features:

Hole mtg; locking device for planetary gear system; three no. 8-32 tapped holes 3/8 in. Deep located on top; indicator, azimuth and range, radar

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A5110
