Overall Length:

8.875 inches

Overall Height:

1.000 inches

Overall Width:

3.000 inches

End Application:

Radio set navigation

Component Type And Quantity:

1 connector and 1 holder

Special Features:

Also including tuned cavity

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A51110
