Overall Length:

5.063 inches

Overall Height:

2.000 inches

Overall Width:

4.000 inches

End Application:

5821-00-123-4866 receiver-transmitter

Special Markings:

For use with 618t auto positioner

Material:

Aluminum alloy

Material:

Aluminum alloy

Surface Treatment:

Anodized

Fsc Application Data:

Miscellaneous communications equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T23700
