Identification Designator:

Sg255aqa3-80058

Fsc Application Data:

Indicator group airborne sonar

Reference Number Differentiating Characteristics:

As differentiated by being manufactured by fscm 96214reference number 431110-1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A32200
