Overall Length:

1.625 inches

Overall Height:

1.312 inches

Overall Width:

0.500 inches

Component Type And Quantity:

3 capacitor and 4 diode and 4 transistor and 1 printed wiring board and 7 resistor

Special Features:

Plug-in mtg; communications equipment, acft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A5110
