Section Quantity:

1

Overall Length:

19.000 inches

Overall Height:

12.000 inches

Overall Width:

9.938 inches

Joint Electronics Type Designation System Item Name:

Panel, patching, communication

Joint Electronics Type Designation System Item Type Number:

Sb-3576/ug

Panel Material:

Aluminum

Connecting Position Quantity Per Section:

24

Receptacle Quantity:

120

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T122-d
