Overall Length:

13.875 inches

Overall Height:

7.781 inches

Overall Width:

13.281 inches

Dc Voltage Rating:

48.0 volts

Electrical Power Source Relationship:

Operating

Internal Battery Accommodation:

Not included

Sectionalized Feature:

Not included

Servicing Location:

Any acceptable

Illuminated Feature:

Not included

Communication Line Type:

Sound powered telephone

Communication Line Quantity:

200

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T122-c
