Dc Voltage Rating:

24.0 volts

Electrical Power Source Relationship:

Self-contained

Internal Battery Accommodation:

Not included

Sectionalized Feature:

Not included

Servicing Location:

Top

Illuminated Feature:

Included

Illuminated Location:

Front

Communication Line Type:

Announcing

Communication Line Quantity:

50

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T122-c
