Overall Length:

2.000 inches

Overall Height:

0.120 inches

Overall Width:

1.500 inches

End Application:

B-1b pacer bee; an/alq-161

Nuclear Hardness Critical Feature:

Hardened

Supplementary Features:

Oper cold plate temp -30 degrees f to +170 degrees f; non-oper ground temp -65 degrees f to +200 degrees f; maximum o/a acoustic level 142.0 db; finish grey textured epoxy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T199-d
