Overall Length:

28.000 inches

Overall Height:

12.000 inches

Overall Width:

15.250 inches

Joint Electronics Type Designation System Item Name:

Duplexer

Joint Electronics Type Designation System Item Type Number:

Cu-2286/sps-40b

Internal Battery Accommodation:

Not included

Operating Frequency:

Between 400.0 megahertz and 450.0 megahertz

Transmission Line Type:

Coaxial cable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T187-f
