**Application Design:**

Panel

**Overall Length:**

Between 13.290 inches and 13.330 inches

**Overall Height:**

4.060 inches

**Overall Width:**

7.500 inches

**Special Markings:**

Caution install cover on panel interconnection device when not in use

**Material:**

Aluminum alloy

**Material:**

Aluminum alloy

**Fsc Application Data:**

Communication equipment, miscellaneous

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T23700
