Overall Length:

0.880 inches

Overall Width:

0.500 inches

End Application:

Intercon device a-4m

Component Type And Quantity:

9 pin

Special Features:

Mounting method: pin; mounting configuration: 2 rows, 7 pins ea row that are parallel mtd; silicon matl

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A5110
