Overall Height:

24.000 inches

Overall Width:

24.000 inches

Overall Thickness:

8.000 inches

End Application:

Fuel oil purifier heater controller and lube oil heater controller

Mounting Configuration:

Four 0.530 in diameter mounting holes

Panel Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T122-b
