Overall Length:

9.600 inches

Overall Height:

2.390 inches

Overall Width:

6.700 inches

End Application:

Next generation radar (nexrad)

Supplementary Features:

Power restart; stand-alone version; power cables provided; steady state power: 15 watt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T187-d
