Overall Length:

4.500 inches

Overall Height:

5.750 inches

Overall Width:

2.100 inches

End Application:

Spruance class dd963 console group

Unit Design:

Panel mounted

Interface Type:

Db9

Special Features:

Temperature: 0 to 50 degrees celsius operational and minus 40 to 85 degrees celsius storage

Precious Material And Location:

Goldplated steel spring and contact switches gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A514a0
