**Overall Length:**

4.500 inches

**Overall Height:**

5.750 inches

**Overall Width:**

2.100 inches

**End Application:**

Spruance class dd963 console group

**Unit Design:**

Panel mounted

**Interface Type:**

Db9

**Special Features:**

Temperature: 0 to 50 degrees celsius operational and minus 40 to 85 degrees celsius storage

**Precious Material And Location:**

Goldplated steel spring and contact switches gold

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A514a0
