Overall Length:

17.750 inches

Overall Height:

12.000 inches

Overall Width:

14.000 inches

End Application:

An/sq-48 ots transducer, ship pack condition

Locking Device:

Not included

Handle Quantity:

1

Handle Location:

Center lengthwise

Special Features:

Handle aluminum, latch stainless steel

Material:

Plastic and plastic, polyurethane

Material:

Plastic and plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-a
