Overall Length:

24.000 inches

Overall Height:

30.250 inches

Overall Width:

16.900 inches

Product Name:

Eliminator

Special Features:

Two-way high-output stage sys; 300-watts continuous, 1200-watts short-term; high-q 60 by 40 deg. Constant directivity horn with dh2010a driver

Color:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
