Overall Height:

1.400 inches

Overall Width:

6.200 inches

Ac Voltage Rating:

230.0 volts

Frequency Rating:

50.0 hertz

Electrical Power Source Relationship:

Operating

Transmitted Signal Frequency Rating:

Not rated

Special Features:

V.34/33.6k; expanded class 2 faxing at 14.4k; synchronous and asynchronous; dial-up and 2-wire leased line support; ten phone number storage for automatic or dtr dialing; dtmf tone detection; pass through, fixed and variable callback security; differentiated bycountry; this item is italy (-it)

Type/model Designation:

Mt2834blie-it

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T187-d
