**Overall Height:**

1.400 inches

**Overall Width:**

6.200 inches

**Ac Voltage Rating:**

230.0 volts

**Frequency Rating:**

50.0 hertz

**Electrical Power Source Relationship:**

Operating

**Transmitted Signal Frequency Rating:**

Not rated

**Special Features:**

V.34/33.6k; expanded class 2 faxing at 14.4k; synchronous and asynchronous; dial-up and 2-wire leased line support; ten phone number storage for automatic or dtr dialing; dtmf tone detection; pass through, fixed and variable callback security; differentiated bycountry; this item is italy (-it)

**Type/model Designation:**

Mt2834blie-it

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T187-d
