Overall Height:

25.000 inches

Overall Width:

17.250 inches

Operating Temperature Range:

+0.0/+40.0 degrees celsius

Basic Shape Style:

Rectangular or square

Installation Design:

Rack

Operating Ac Frequency In Hertz:

50.0 single voltage and 60.0 single voltage

Special Features:

P882 multiservice switch; 18 in. Deep; up to 16 payload slots

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A32200
