Overall Length:

8.400 inches

Overall Height:

1.800 inches

Overall Width:

5.500 inches

Basic Shape Style:

Rectangular or square

Inclosure Type:

Encased

Installation Design:

Free-standing and top of cabinet/counter

Operating Ac Frequency In Hertz:

50.0 single voltage

External Ac Operating Voltage In Volts:

230.0 single voltage

Special Features:

Rs-232 485/422 converter plus; transmit data up to 4000 ft,

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A32200
