**End Application:**

Solid state air cooled frequency converter, part no. 700-33452

**Product Name:**

Input circuit breaker assembly

**Special Features:**

Contains input, output, distribution power, logic power and fan power circuit breakers, system distribution transformer, input and output current transformers, logic emi filter, input voltage sense transformer

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A17600
