**Overall Length:**

38.500 inches

**Overall Height:**

26.840 inches

**Overall Width:**

22.470 inches

**End Application:**

5895-01-467-7213; digital technical control

**Locking Device:**

Not included

**Product Name:**

Transit case, operational

**Special Features:**

Weight approx 66 pounds; max weight with equipment 200lbs; material is thermoplastic resin reinforced by continuous strands of glass fiber; handles shall be hinged, recessed, with stops at 90 degrees and a non-metallic grip portion; color green 34094 per fed-std-595b; case is marked csp rear

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T358-a
