Combat Operations Center - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5895-01-520-4341

Product Name:

Combat operations center, set iii

Special Features:

The combat operations center (coc) is a set of equipment designed to provide command and control operational facilities for the commander and staff of marine air ground task force (magtf). The coc is a component of the unit operations center (uoc). The coc equipment sets provide centralized operations facilities to collect, process, and disseminate tactical data for the commander and staff of ce's, gce's, csse's and ace's.
