Width:

24.000 inches

Overall Length:

37.000 inches

Overall Height:

33.000 inches

Overall Width:

27.000 inches

Length:

27.000 inches

Locking Device:

Included

Locking Device Type:

Integral

Product Name:

Rackmount cases

Special Features:

9double entry; 2.000 inch length elastomeric shock mounts; dustproof; water resistant; reusable; molded interlocking ribs for stacking; all hardware is recessed; molded tongue and groove gasketed parting lines; anti-shear locks; color gray, molded-in

Height:

30.000 inches

Material:

Plastic, polyethylene and aluminum alloy

Material:

Plastic polyethylene and aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-a
