**Overall Length:**

3.400 inches

**Overall Height:**

0.800 inches

**Overall Width:**

1.800 inches

**Basic Shape Style:**

Rectangular or square

**Inclosure Type:**

Encased

**Installation Design:**

Rack

**Circuit Construction Type:**

Solid state

**Operating Ac Frequency In Hertz:**

50.0 single voltage and 60.0 single voltage

**External Ac Operating Voltage In Volts:**

100.0 single voltage and 240.0 single voltage

**Product Name:**

Minature media converter

**Functional Description:**

Bring fiber to the desktop

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A32200
