Storage Temperature Range:

-40.0/+70.0 degrees celsius

Unpackaged Unit Width:

440.000 millimeters

Unpackaged Unit Height:

43.600 millimeters

Model Number:

4400

Product Name:

Superstack 3 switch 4400 100 base fx module

Special Features:

Operating temperature 0 to 40 degrees c; operating humidity type 10 pct to 90 pct relative humidity non condensing; power supply ac line frequency 50/60 hz; input voltage 90-240 vac

Functional Description:

Enterprise-class managed layer 2/4 10/100 switching for workgroups, with a choice of gigabit downlinks and stacking; ieee 802.1x radius network login provides secure network access control at the edge of the network; hot-swappable stacking of up to eight units, or 384 10/100 ports, allows continuous operation of the network; switches automatically select the optimal speed and duplex mode of connected cables to prevent misconfiguration of the network; network management is available through an embedded web and command line interface, cli, or via an snmp management station

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
