Ac Voltage Rating:

Between 100.0 volts and 242.0 volts

Frequency Rating:

Between 47.0 hertz and 63.0 hertz

End Application:

Aperture satellite

Operating Frequency:

Between 3.400 gigahertz and 4.200 gigahertz

Product Name:

Super extended c-band vsat transceiver

Special Features:

Cone decibel compression point eight dbm; tx gain thirty decibel; weight in kilograms 10.5; visual indicator green led flashing indicates power is active, red led indicates a summary alarm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T199-c
